**PETITION FOR LEAVE TO INTERVENE  
OF  
CALPINE MID-ATLANTIC ENERGY, LLC**

Calpine Mid-Atlantic Energy, LLC ("Calpine"), by and through its undersigned counsel and pursuant to Rule 21 of the Delaware Public Service Commission's Rules of Practice and Procedure, respectfully petitions for leave to intervene as a party in this matter.

In support of this Petition, Calpine states as follows:

1. Calpine's contact information, as required by Rule 21(i) of the Rules of Practice and procedure, is as follows:

Steven Schleimer, Vice President, Government and Regulatory Affairs  
Calpine Corporation  
500 Delaware Avenue, Suite 600  
Wilmington, Delaware 19801  
E-mail: [steven.schleimer@calpine.com](mailto:steven.schleimer@calpine.com)  
Phone: 302-468-5326  
Fax: 302-468-5401

2. Calpine has an interest in the outcome of the proceeding. The Integrated Resource Plan ("IRP") of Delmarva Power & Light Company ("Delmarva") is required to systematically evaluate all available supply options, including generation, over a ten-year planning period, and forecast the appropriate mix of such resources that will be utilized to meet the needs of its Standard Offer Service customers. Calpine, through one or more subsidiaries, owns and operates power generation facilities in the Mid-

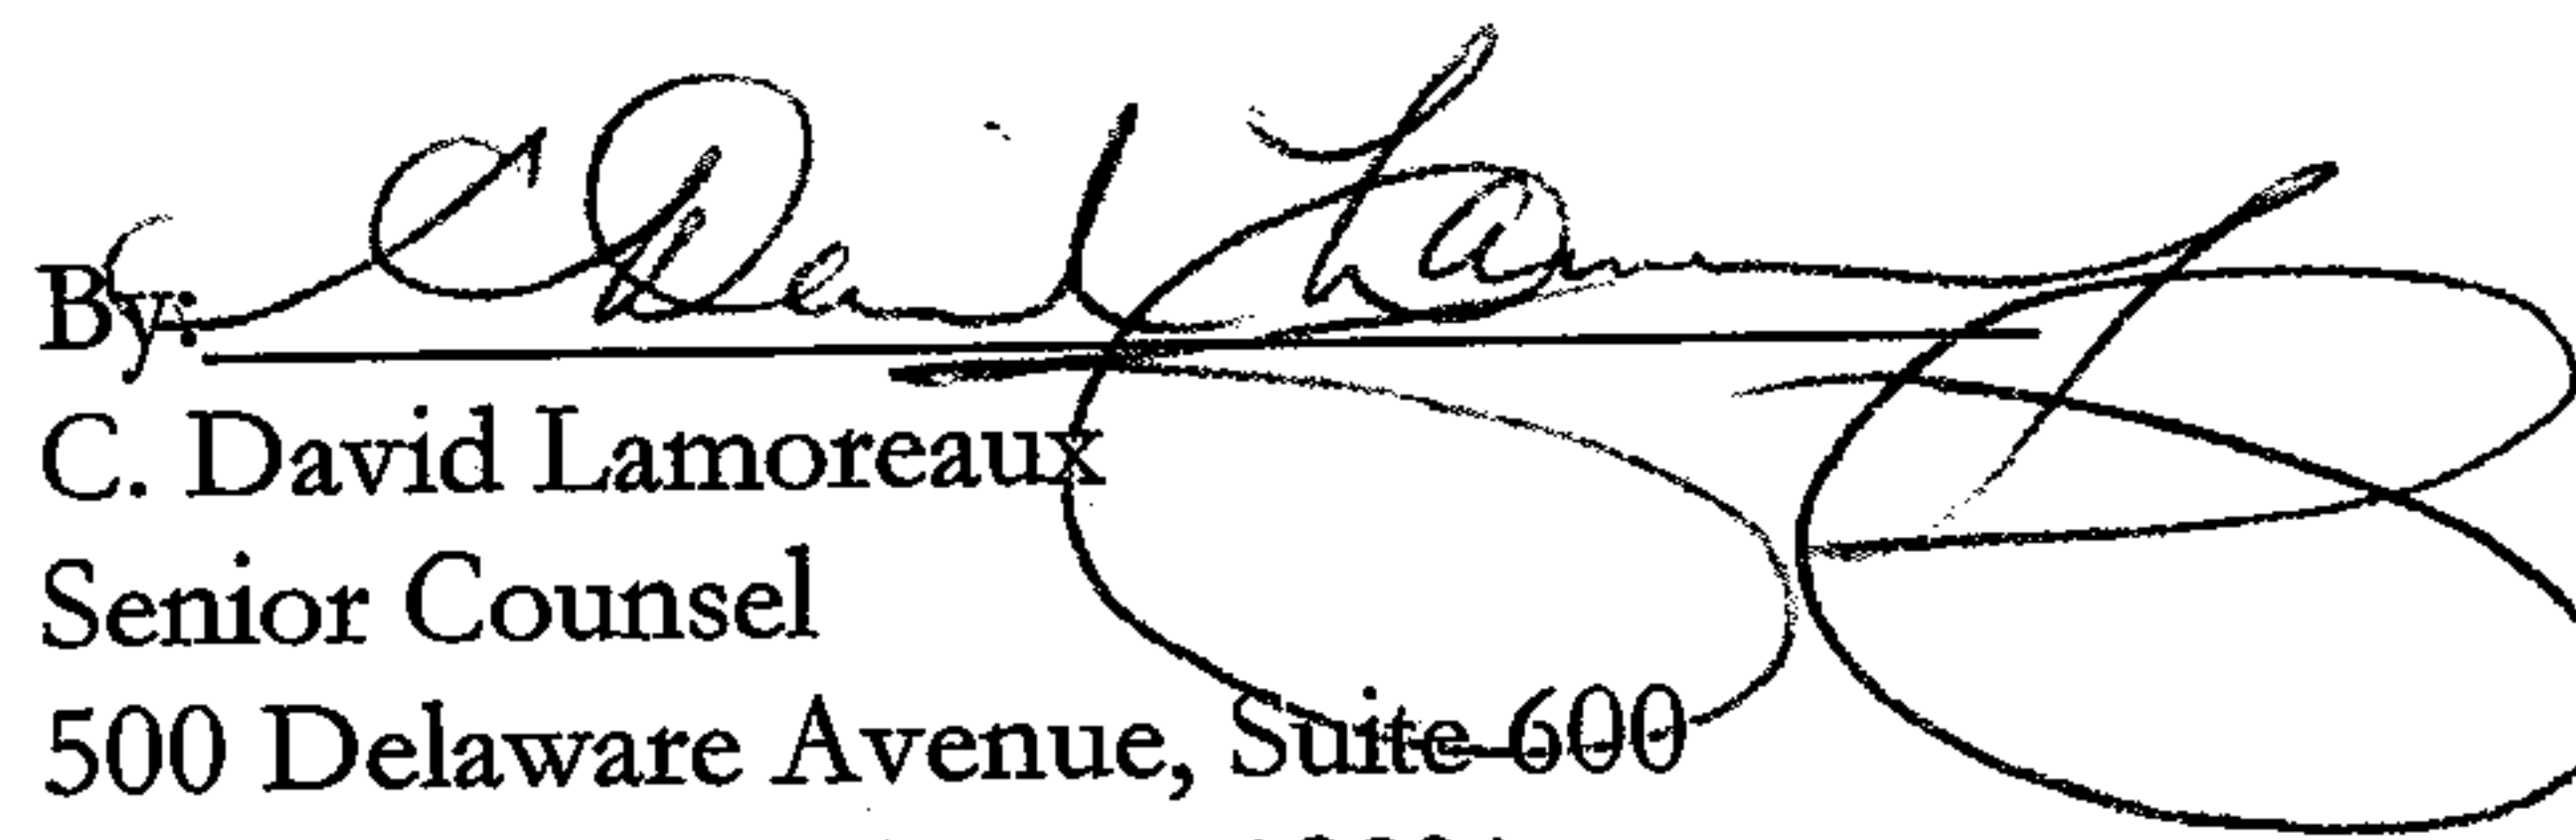

Atlantic region, including in the state of Delaware, and sells electricity on a wholesale basis in the state and throughout the PJM region in which Delmarva operates.

3. The interests of Calpine would be inadequately represented in Delmarva's IRP process in the absence of Calpine's intervention as no other party to the proceedings has specific knowledge of Calpine's operations sufficient to address issues that may be relevant to Calpine as a generator and supplier of electricity in the state of Delaware and the PJM region.
4. While Delmarva and Calpine are both in the business of providing electricity, Calpine is principally in the business of providing wholesale electricity and its interests are thus separate and different from those of Delmarva. Accordingly, Calpine's interests in this proceeding will not be adequately represented without being granted intervenor status, and the public interest will be served by Calpine's participation as a party to this proceeding.

WHEREFORE, Petitioner respectfully requests that it be granted leave to intervene in this proceeding as a party for all purposes.

Respectfully submitted,

CALPINE MID-ATLANTIC ENERGY, LLC
